Green Lane Park Hosts “Animal Tracks and Signs” Program
Saturday, February 13, 2016 at 1:00pm

Green Lane, PA (February 8, 2016) – Montgomery County’s Green Lane Park will host a program entitled “Animal Tracks and Signs” on Saturday, February 13, 2016 beginning at 1:00pm. Many animals go about unseen, but they leave many signs and signatures behind. Join the staff at Green Lane Park for this indoor/outdoor program and learn to read and interpret wildlife signs. Snow on the ground will make tracking easier, but the program is a go with or without snow! After a brief indoor program, participants will venture outside to follow the wild signs.

This free program is suitable for ages eight to adult. Preregistration is required. Please call 215-234-4528 to reserve a space.

For more information, please contact Kevin Crilley, Environmental Educator, Parks Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites, at 215-234-4528 or via email at kcirilley@montcopa.org.
