Green Lane Park Hosts “Winter Tree ID Made Easy” Walk
Saturday, January 30, 2016 at 1:00pm

Green Lane, PA (January 26, 2016) – Montgomery County’s Green Lane Park will hold a “Winter Tree ID Walk” on Saturday, January 30, 2016 beginning at 1:00pm. No leaves? No problem! While most native trees have lost their leaves, there are many ways to identify them in the dead of winter. Join the staff at Green Lane Park as they share tips on identifying trees and shrubs using bark, twigs, buds, and fruit as clues. This program will be held outdoors, so bundle up and join the staff for an informative walk to learn all about trees.

This free program is suitable for ages nine through adult. Preregistration is required. Please call 215-234-4528 to reserve a spot. The program will meet outside the stone picnic pavilion in the Deep Creek Area of Green Lane Park (2144 Snyder Road, Green Lane, PA 18054).

For more information, please contact Kevin Crilley, Environmental Educator, Parks Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails and Historic Sites at call 215-234-4528 or via email at krilley@montcopa.org.
