**Winds and Weather at Norristown Farm Park**  
***Sunday, March 6, 2016 at 2:00pm***

**East Norriton, PA (February 24, 2016)** – March is usually a windy month, and it's a great time to investigate "Winds and Weather" at Norristown Farm Park on Sunday, March 6, 2016 at 2:00pm. Is it possible to tell what the upcoming weather will be by examining the clouds? Learn about cloud types, precipitation, wind direction, and other parameters. Examine some of the weather folklore associated with predictions.

The indoor portion of the program will be followed by a walk outside to see the clouds, experience current conditions, and make a weather forecast based on what was learned. This free program is sponsored by the Montgomery County Parks, Trails, and Historic Sites Division of the Assets and Infrastructure Department. The program is suitable for adults and children eight and older. Preregistration is required. Please call 610-270-0215 to preregister.

Norristown Farm Park is located at Barley Sheaf Drive and Germantown Pike in East Norriton, PA 19403. The program will meet at the park office. Visit Norristown Farm Park online at:
