Green Lane Park To Hold “Earth Day Work Day” In the Park
Saturday, April 23, 2016 at 1:00pm

Green Lane, PA (April 18, 2016) – Montgomery County’s Green Lane Park will hold an “Earth Day Work Day” on Saturday, April 23, 2016 beginning at 1:00pm. Join the staff in celebrating Earth Day during a volunteer work party in the park. Keeping the park beautiful is important and rewarding work, but park staff can use some additional help every now and then. Come out for an hour or two and help do battle with the invasive Japanese Barberry and Oriental Bittersweet. These aggressive alien plants are out, competing with the park’s native plant life, and staff would love to have help restoring the ecosystem.

Volunteers are encouraged to bring their own heavy duty work gloves and loppers or pruning shears. Sturdy footwear is a must, as terrain is rocky in places. The program will meet at the Lost Corner Parking Lot, located on Deep Creek Road and the junction of Snyder Road in Green Lane.

This event is suitable for ages nine through adult. Please preregister by calling 215-234-4528.
