RELEASE: July 19, 2016

Milkweed and Monarchs at Norristown Farm Park
Sunday, July 24, 2016 at 2:00pm

East Norriton, PA (July 19, 2016) – Get a close-up look at the lifecycle of the monarch butterfly at Norristown Farm Park on Sunday, July 24, 2016 at 2:00pm. Participants will search for eggs, larvae, pupae, and adult butterflies in the Norristown Farm Park gardens and fields. They will also learn about the monarch butterfly's host plant, milkweed, and discover some of the other insects in the milkweed community.

This program is suitable for adults and children ages five and older. Preregistration is required. Please call 610-270-0215 to preregister.

Norristown Farm Park is located at Barley Sheaf Drive and Germantown Pike in East Norriton, PA 19403. Meet at the park office.

Visit Norristown Farm Park online at: www.montcopa.org/norristownfarmpark.
