**Green Lane Park Hosts “Birds and Botany – Perfect Together” Walk**  
**Saturday, September 10, 2016 at 10:00am**

**Green Lane, PA (September 6, 2016)** – Montgomery County’s Green Lane Park will host a guided walk entitled “Birds and Botany – Perfect Together” on Saturday, September 10, 2016 beginning at 10:00am.

Fall is a critical time for birds as they seek fuel for their long journey south. Some birds depend on plants that provide berries or nuts, while others depend on the insects that the plants attract. This program will concentrate on the migrant and resident birds encountered along the way while teaching about different essential plants that they rely on for survival.

The program will meet at the Church Road fly-fishing area in Green Lane Park located 1.2 miles east of Kutztown Road. Bring binoculars and waterproof shoes or boots. This program is suitable for ages 10 to adult, and is offered free-of-charge. Preregistration is required. Please call 215-234-4528 to preregister.

For more information, please contact Kevin Crilley, Environmental Educator, Parks Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites, at 215-234-4528 or via email at [kcirilley@montcopa.org](mailto:kcirilley@montcopa.org).
