Using Our Senses at Norristown Farm Park
Wednesday, September 21, 2016 at 1:00pm

East Norriton, PA (September 14, 2016) – Take a “first look” at the five senses during a “Using Our Senses” program at Norristown Farm Park on Wednesday, September 21, 2016 at 1:00pm. Explore the woods with a particular emphasis on using each sense to help learn about the surroundings. Participants will do special seeing, hearing, and smelling activities that will hone sensory skills while in the outdoors. Learn how animals use their senses, especially at night, to find food and survive in the wild.

This program is suitable for children three and older with adult accompaniment. There is a \$5.00 fee per child. Preregistration is required. Please call 610-270-0215 to preregister.

Norristown Farm Park is located at Barley Sheaf Drive and Germantown Pike in East Norriton, PA 19403. Meet at the pavilions.
