First Look at Maple
Tuesday, February 26 at 1:00pm

Norristown, PA (February 25, 2013) – How did the Native Americans and early settlers get their maple sugar? Come to Norristown Farm Park and learn how to make maple syrup from the sap of Sugar Maples. Taste maple sugar and pure maple syrup. Make a maple craft to take home.

This program is appropriate for children ages three and up with adult accompaniment. The cost is \$5.00 per child. Pre-registration is required. The program meets at the park office. For information or to pre-register, please call 610-270-0215.
