RELEASE: March 11, 2013

Spring Fling
Thursday, March 14, 2013 at 1:00pm

Norristown, PA (March 11, 2013) – St. Patty’s Day and the first day of spring are coming soon, so “green” will be the theme of a Norristown Farm Park program. Participants will make green crafts, hear a story about spring, and take a walk to look for the earliest sprouting green plants. How about a nourishing green snack afterwards?

This program is appropriate for children ages three to six with an adult helper. The fee is \$5 per child. Preregistration is required. The program will meet at the park office. Please call Norristown Farm Park at 610-270-0215 for information and to preregister.
