Montgomery County Commissioners Sponsor Paper Shredding Event at MCCC
Saturday, June 8, 2013 from 9:00AM-12:00PM

Norristown, PA (May 30, 2013) – Montgomery County residents who have paper and documents that need to be shredded are encouraged to take advantage of a free community paper shredding event this Saturday, June 8 from 9am to noon. Sponsored by the Montgomery County Commissioners in conjunction with the Waste System Authority of Eastern Montgomery County and Shred One Security Corp, the event will be held at Montgomery County Community College in Blue Bell.

Materials presented for shredding should not include plastic, cardboard, or metal. However, there is no need to remove staples, paper clips, hanging folders, etc. Please note that businesses are not permitted.

“Shredding of documents has become important in our lives today for several reasons, not the least of which is the threat of identity theft,” said Josh Shapiro, chairman of the Montgomery County Commissioners. “We believe this service is useful, necessary, and will be appreciated by our residents, and we are very grateful to Shred One and the Waste System Authority for their assistance.”

Residents should enter the Montgomery County Community College Green parking area from Morris Road, just east of DeKalb Pike (Route 202).

Shred One regularly participates in community shredding events. The company’s mobile trucks perform all of the paper shredding as you watch. All shredded paper is recycled by Shred One and the company is currently recycling paper at a rate that saves over 70,000 trees annually.
