All About Boomerangs

Schwenksville, PA (July 10, 2013) – Come to Pennypacker Mills on Saturday, July 13, 2013 at 10:00am to discover the wonders of boomerangs. Although they began as hunting tools, boomerangs have become a popular children’s toy. Visitors will be able to see the cardboard construction of several types of boomerangs and will learn proper throwing technique. This is a wonderful program for scout troops, families, and those who are kids at heart. This event will be held from 10:00am to 12:00pm, rain or shine. This is a free program, but a donation of \$2.00 per person is suggested.

After the program, guests are invited to stop by the 1900’s History Center and explore exhibits and hands-on activities that will take them back in time. Visitors will get the chance to discover how people moved about using horses and buggies, visit the General Store, and see the newest exhibit on children working in the coal mines of Pennsylvania.

Pennypacker Mills Historic Site is operated by the Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites. Located at 5 Haldeman Road in Schwenksville, PA, Pennypacker Mills offers year-round guided tours, changing exhibits, seasonal events, and educational programs. For more information about this and future events, please call 610-287-9349 or visit the website at www.montcopa.org/pennypackermills.
