Montgomery County Recorder of Deeds Office Receives National Association of County Recorders, Election Officials and Clerks (NACRC) 2013 Land Records Best Practices Award

Norristown, PA (August 13, 2013) – The Montgomery County Recorder of Deeds Office was one of only four county offices to receive an NACRC Best Practices Award at the Annual Conference of the National Association of County Recorders, Election Officials and Clerks (NACRC) on July 19 in Dallas, Texas.

The NACRC Best Practices Award is a unique opportunity for NACRC members to receive special recognition in honor of their unique achievements and best practices in their respective fields. The Montgomery County Recorder of Deeds Office received the 2013 Land Records award for the Montgomery County Veterans' Photo ID Discount Card, which the NACRC called "an innovative plan to encourage veterans to record their military discharge by offering an incentive discount card in cooperation with local businesses."

"We are extremely proud of the hard work done by our Recorder of Deeds, Nancy Becker, and her office," said Josh Shapiro, chair of the Montgomery County Board of Commissioners. "Montgomery County is once again receiving national recognition and we are pleased with the partnership between our Recorder of Deeds office and local businesses to better serve those veterans who have so honorably served our county and our country."

"By submitting what we were doing in Montgomery County, I was able to let the rest of the counties in our country know about our Veterans Photo ID program," said Montgomery County Recorder of Deeds, Nancy J. Becker. "I am hoping that counties throughout the US will consider a similar program. Winning the award was a bonus, getting the word out was my goal."
