Green Lane Park Hosts Waterfowl Watch **Saturday, November 30, 2013**

Green Lane, PA (November 26, 2013) – Green Lane Park will host a Waterfowl Watch on Saturday November 30, 2013 beginning at 1:00pm.

Join the staff at Green Lane Park for a look at migrant ducks, geese, swans, and more. Fall migration for waterfowl has been great so far, but many more birds will be stopping by on their south-bound journey.

Participants in years past have seen an impressive array of birds including Greater White-fronted Geese, Tundra Swans, Northern Shovelers, and Canvasbacks, among others. Green Lane Park is one of 81 "Important Bird Areas" in Pennsylvania, as determined by Audubon Pennsylvania.

Come out and see first-hand what makes the park so special to migrant birds.

Bring binoculars and meet at the Tennis Court Parking lot in Green Lane Park located at 2298 Green Lane Road, Green Lane, PA 18054. Participants will travel by car to two additional birding hot spots in the park.

This program is free-of-Charge, but pre-registration is required.

For more information and to preregister, please contact Kevin Crilley, Region II Environmental Educator, Montgomery County Division of Parks, Trails & Historic Sites, at 215-234-4528 or via email at kcrilley@montcopa.org.
