FOR IMMEDIATE RELEASE: April 8, 2014

Schuylkill River Trail Will Be Closed Intermittently Between Betzwood and Port Indian

Norristown, PA (April 8, 2014) – The Schuylkill River Trail between the Betzwood parking area and Port Indian will experience intermittent closures from Tuesday, April 15 through Friday, April 18 for paving.

The trail will remain open, but trail users should be aware that it will be temporarily closed as needed by the contractor to ensure the safety of trail users. Bicyclists should be prepared to dismount and walk their bicycles around the affected area. The first two days of the repaving will experience the majority of the temporary closures.

The 1.4-mile section of trail has become uneven because of the growth of tree roots under the paved trail.
