Family Fishing Program at Green Lane Park

Green Lane, PA (June 16, 2014) – Join the Park Ranger at Green Lane Park on Saturday, June 21, 2014 at 9:00am for a program that teaches kids the Pennsylvania Fish and Boat Commission's Fishing Skills Class.

Meet the GLP Park Ranger, a Certified PA Fish and Boat Commission Fishing Skill Instructor, at the Deep Creek Pavilion to learn about basic aquatic ecology and fishing skills.

Don't have personal equipment? No problem. Park staff will provide fishing rods, tackle, and bait, free of charge, for the morning's event. A PA Fishing License is not required for this program.

This fishing program is rain or shine, and is open to all ages, although all children need to be accompanied by an adult. Pre-registration is required. Please call 215-234-4528 to pre-register.

Please come to Green Lane Park and bring the family for a fun, educational morning, then stay and try out all those newly learned skills!

This activity will be held at the Deep Creek Pavilion. The Deep Creek Pavilion at Green Lane Park is located on 2115 Snyder Road in Green Lane, PA. Take Route 29 to Deep Creek Road then turn right onto Snyder Road.

For more information, please contact Pamela Murray, Park Supervisor at Green Lane Park, at 215-234-4528 or via email at pmurray@montcopa.org.
