**Green Lane Park to Host “Butterflies and Dragonflies through Binoculars”
Saturday, August 23, 2014 at 1:00pm**

Green Lane, PA (August 18, 2014) – Montgomery County’s Green Lane Park will hold a program entitled “Butterflies and Dragonflies through Binoculars” on Saturday August 23, 2014 beginning at 1:00 p.m.

Join the staff at Green Lane Park for a closer look at these colorful and charismatic insect groups in some of the best habitat in the region. Their wary nature can make these critters a challenge to approach, but last year’s participants identified some 15 butterfly species, in addition to numerous dragonflies and damselflies! Bring binoculars (camera optional) for this insect-hunting adventure.

The program will meet at the Fly-Fishing Area of Green Lane Park, located on Church Road, 1.2 miles North of Kutztown Road.

This program is suitable for individuals ages eight through adult and is offered free of charge. Pre-registration is required. Please call 215-234-4528 to reserve a space.

For more information, please contact Kevin F. Crilley, Environmental Educator, Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites, at 215-234-4528 or via email at kcrilley@montcopa.org. Visit Green Lane Park online at www.montcopa.org/greenlanepark.
