## **Schuylkill River Trail to Close for Two Days for Final Paving**

**Norristown, PA (October 22, 2014)** – The Schuylkill River Trail between Ross Street and Ford Street in Norristown will be closed on Tuesday, October 28 and Wednesday, October 29 for final paving.

The half-mile long segment was closed on January 27, 2014 to facilitate construction of the Lafayette Street construction project, and re-opened three months later with a base pavement. The two-day closure will allow the final layer of paving to be put down.

Message boards have been placed at either end of the closure to warn trail users.
