Montgomery County Hosts Public Hearing and Rollout Celebration for *Montco 2040: A Shared Vision*

Norristown, PA (December 30, 2014) – The Montgomery County Commissioners invite the public to a public hearing and rollout celebration for *Montco 2040: A Shared Vision*, Montgomery County's draft comprehensive plan. The event will take place on Wednesday, January 7, 2015, at 6:00 p.m. in College Hall Community Room 144/148/151 of the Montgomery County Community College, 340 DeKalb Pike in Blue Bell.

Thousands of Montgomery County residents participated in the creation of this important plan, which focuses on the county's future to the year 2040, by attending meetings, completing a survey, and submitting comments. The plan contains three major themes: Connected Communities, Sustainable Places, and Vibrant Economy.

Join community leaders, citizens, businesses, and Montgomery County officials and staff on what promises to be a remarkable evening as the vision created by county residents and planners for the future of Montgomery County is revealed. There will be important discussions, a roadmap for implementing the plan, and light refreshments.

Please RSVP by January 5. Visit www.montcopa.org/Montco2040 to RSVP and for further information.
