## **Montco Commissioners Sponsor Paper Shredding Event in Harleysville**

**Harleysville, PA (April 6, 2015)** – The Montgomery County Commissioners, in conjunction with Shred One Security Corp., are sponsoring a free community paper shredding event on Saturday, April 11 from 9 a.m. to noon at Indian Valley Middle School, 130 Maple Avenue in Harleysville. This is the first Community Paper Shredding event for 2015.

Montgomery County residents who have paper and documents that should be shredded are encouraged to take advantage of this free event. No businesses are permitted. Please make sure that the materials presented for shredding do not include plastic, cardboard, or metal. However, there is no need to remove staples, paper clips, or hanging folders. Please note, capacity is limited and when the shred trucks are full, the event must close.

“Shredding of documents has become important in our lives today for several reasons, not the least of which is the threat of identity theft,” said Josh Shapiro, chairman of the Montgomery County Commissioners. “We believe this service is useful, necessary, and will be appreciated by our residents, and we are very grateful to Shred One for their assistance.”

Shred One regularly participates in community shredding events. The company’s mobile trucks perform all of the paper shredding on site as you watch. All shredded paper is recycled by Shred One and the company is currently recycling paper at a rate that saves over 70,000 trees annually.
