East Norriton, PA (June 22, 2015) – Join the staff at Norristown Farm Park to discover the world of fireflies, also known as lightning bugs (which are neither flies nor bugs). Learn about fireflies' amazing behavior and life cycle. The program begins just before dusk and ends after dark, so bring a flashlight. Meet in parking lot #3.

This free program is appropriate for adults and children ages six and up. Preregistration is required. Please call Norristown Farm Park at 610-270-0215 to preregister.

This program is sponsored by the Montgomery County Parks, Trails, and Historic Sites Division. Visit Norristown Farm Park online at: www.montcopa.org/norristownfarmpark.
