Wednesday Walk Series at Lower Perkiomen Valley Park – Birds
Wednesday, July 15, 2015 at 9:00am

Oaks, PA (June 29, 2015) – Come to Lower Perkiomen Valley Park on Wednesday, July 15, 2015 at 9:00am for a fun and educational guided walk all about birds. This is the fourth walk in the Wednesday Walk series—themed walks which occur the third Wednesday of the month April through October. The pace is leisurely over flat, paved trails.

Lower Perkiomen Valley Park hosts an impressive array of migratory and year-round bird populations. On this walk, participants will search the park and river banks for signs of birds, from nests to woodpecker holes. Park staff will guide visitors to locations with interesting bird activity and guests can try their hand at identification. Binoculars can be provided for children, but adults may want to bring their own, more powerful set. All ages are welcome, so come out for a morning walk featuring fine feathered friends.

This free event will occur weather permitting. Participants should meet at the main pavilion. Please preregister by calling 610-666-5371. Lower Perkiomen Valley Park is located on New Mill Road in Oaks, PA, easily accessible from Egypt Road off Route 422. The park is open year-round, except for major holidays. For further information about this program, please call 610-666-5371, or visit the website at www.montcopa.org/lowerperkiomenvalleypark.
