FOR IMMEDIATE RELEASE: December 21, 2015

Keith Valley Road Bridge Closure

Horsham, PA (December 21, 2015) – Keith Valley Road Bridge, located at Keith Valley Road over Park Creek in Horsham Township, is closed effective immediately due to a single vehicle accident that occurred on the bridge this morning. The county engineer has been out to the site and determined that the bridge is deemed unsafe for vehicular traffic and will remain closed until repairs have been made.

The masonry arch bridge was built in 1907. Average daily travel on the bridge was 6,937 cars as of 2013.

An official detour route will be posted as soon as possible. Updates will be available on the county website: www.montcopa.org and social media.
