**Green Lane Park to Host “Waterfowl Watch”**  
***Saturday, March 12, 2016 at 1:00pm***

**Green Lane, PA (March 7, 2016)** – Montgomery County’s Green Lane Park will hold a “Waterfowl Watch” program on Saturday, March 12, 2016 beginning at 1:00pm. As the ice retreats from the park’s three lakes, the northbound migration of ducks, geese, and swans will be in full swing. Join park staff for a closer look at the migrants and the migration. Participants in years past have seen greater white-fronted geese, Northern Pintails, canvasbacks, peregrine falcons, and many more. Find out why Green Lane Park is one of eastern Pennsylvania’s premier bird watching venues.

The program will meet at the Tennis Courts (2298 Green Lane Road, Green Lane, PA 18054). Participants will then travel by car to two other birding hotspots in the park. Bring binoculars and appropriate footwear, as it may be muddy.

This free program is suitable for ages nine through adult. Preregistration is required. Please call 215-234-4528 to reserve a space. For more information, please contact Kevin Crilley, Environmental Educator, Parks Region II, Montgomery County Department of Assets and Infrastructure, Division of Parks, Trails, and Historic Sites, at 215-234-4528 or via email at [kcirilley@montcopa.org](mailto:kcirilley@montcopa.org).
