### **STATEMENT ON FATAL FIRE IN NORRISTOWN**

NORRISTOWN, Pa.--Montgomery County District Attorney Kevin R. Steele confirmed that Montgomery County Detectives are investigating the May 7th fire at 825 DeKalb Street in Norristown. The fire appears to have originated on the enclosed porch but the preliminary investigation indicates that it does not appear to be suspicious in origin.

Two adults and a child died in the fire. Autopsies are being performed, and the next of kin have been notified. Other occupants of the house were taken to area hospitals.
