### **DRUG TAKE BACK DAY SCHEDULED FOR APRIL 29 AT A RECORD 41 LOCATIONS IN MONTGOMERY COUNTY**

NORRISTOWN, Pa. (April 14, 2017) — Montgomery County District Attorney Kevin R. Steele and the Police Chiefs Association of Montgomery County announce the annual prescription drug Take Back Day, scheduled for 10 a.m. to 2 p.m., Saturday, April 29 at 41 locations throughout Montgomery County.

This spring's Take Back Day—which coincides with the DEA's nationwide Take Back Day—is the largest in terms of number of participating police department locations since Take Back Day began in Montgomery County in 2010. It's a chance for Montgomery County residents to clean out their medicine cabinets of unwanted, unused and expired prescription medications and dispose of them easily in a safe, environmentally friendly way. Ridding medicine cabinets of these medications is an important step in combatting the growing opioid and heroin epidemic, which often begins with prescription medicines taken from a home medicine cabinet.

At the 2016 Take Back Days in Montgomery County, 5,637.7 pounds were collected in the spring and 5,943.9 pounds were collected in the fall for a record total of nearly 12,000 pounds or six tons of unwanted or expired medications. These numbers are from both unwanted prescription and over-the-counter medications collected that day through resident drop-offs as well as the amounts collected by police departments through their permanent MedReturn boxes. More than 29,000 pounds of medicine has been collected since the program began in 2010.

“The growing participation in Take Back Day and the huge amount of medicine we are collecting reflects the growing awareness of the heroin and opioid epidemic and how important it is to get opioids like oxycodone out of medicine cabinets,” said Steele. “Collecting unwanted medications is just one way the District Attorney's Office and law enforcement in Montgomery County are working together to combat drugs in our communities and decrease overdose deaths, which has spiked dramatically to 249 deaths in 2016. We're asking all residents to do their part by cleaning out their cabinets

of unneeded medications and dropping them off April 29 at one of the many Take Back sites throughout the county.”

The participating sites, listed below, will be staffed by police officers. The sites will accept prescription and over-the-counter tablets and capsules, liquid medications, inhalers, creams and ointments, nasal sprays and pet medications. Not accepted are intravenous and injectable solutions as well as needles. Prescription medicines can be in their original prescription bottles with the label removed or can be placed in plastic bags. This year’s Take Back Day locations are:

- Abington Township Police Department, 1166 Old York Rd., Abington, PA 19001
- Cheltenham Township Police Department, 8230 Old York Rd., Elkins Park, PA 19027
