Sign your children up for the Junior Naturalist Camp, an environmental Summer learning program for children ages 9-12 who have completed third grade through sixth grade. Each morning is filled with activities that teach children about the natural world around them. Insects, forest ecology, creek, mammals, habitat, and birds are explored using games and hands-on activities. Children learn to use field guides and they complete simple data sheets every day. Arts and crafts are themed to the daily topics. The games are guaranteed fun!

The program fee is \$50.00 per child for the week. Complete information and the registration form are available online at [www.montcopa.org/noristownfarmpark](http://www.montcopa.org/noristownfarmpark) or [www.montcopa.org/lorimerpark](http://www.montcopa.org/lorimerpark).

You can also pick up the forms in person at either park. No registrations will be accepted without full payment and a completed registration form. Space is limited. For more information please call 610-270-0215 or email [rking2@montcopa.org](mailto:rking2@montcopa.org).
