

CareerLink's Welcome Aboard now offered in Pottstown

Welcome Aboard sessions provide an orientation that covers all of the available services at **Pennsylvania CareerLink** and informs interested clients about the services. This is the first step for all CareerLink customers and to use any CareerLink services.

CareerLink staff person will conduct an initial chairside assessment with each client to review their individual situation, and how CareerLink services could help. If the client is interested in taking the next step their information will be gathered to schedule a visit to a CareerLink office (closest is Norristown) for assessment and an appointment with a Career Coach.
