

Aerial Photography Index

Montgomery County, Pennsylvania

PREPARED BY THE MONTGOMERY COUNTY PLANNING COMMISSION
COURTHOUSE NORTONSTOWN PA. NOVEMBER 1997

* Aerials not available prior to 1990.

General Information

Aerial photography is available at 5 year intervals from 1965 to the present. An identification code appears on each photo. This code indicates the flight line and sheet number of each aerial. Both numbers must be used when ordering.

All aerials are available at the scale of 1"=400' and measure approximately 24" x 36". Photos at 1"=800' are available from 1985 to present. Prices available upon request, phone Sales and Service Department at (610) 278-3723.
