

We are pleased to announce Pennsylvania's EMS Recruitment Website

www.pa-ems.org

This informational website is targeted to the general public, who may be interested in a career in Emergency Medical Services.

Contents of the website include:

- * How to become involved
- * Nature of work
- * Job outlook
- * Where to obtain training
- * Different EMS certification levels
- * Types of emergencies
- * Working environment
- * Resources/Links
- * Testimonials from current EMS providers
