County Commissioners Hire Consultant

The Montgomery County Commissioners voted unanimously on April 5, 2012 to hire L.R. Kimball of Ebensburg, PA to assist the Emergency Dispatch Radio Committee complete its work.

The Vendor Selection Subcommittee interviewed the four finalists of the 10 firms that responded to the RFP and recommended that the County Commissioners hire Kimball.

The firm has been directed to pursue an aggressive schedule, but to make sure every agency or stakeholder group that uses the radio system is given an opportunity to provide input and that every reasonable option should be explored and considered. It is hoped that the committee will have a final recommendation to the Board of Commissioners this fall.

A meeting with an Executive Committee made up of the chairperson of each subcommittee and Kimball will be scheduled shortly.
